Course in *italics* can be taken as a pre or co requisite
Course in **bold** must be taken as a co requisite
* = grade of C or better required in prerequisite course

Footnotes:
(a) Science/Math elective courses are chosen jointly by student and advisor from the approved list.
(b) Major elective courses are chosen jointly by student and advisor from the course list approved by the Department as major electives. Other courses related to the student's professional interests and career goals may be considered but all such requests to take alternative major elective courses must be approved in writing by the ETCM Department.
(c) These courses must be completed with a grade of C or better.
